Structure of the Club

It is helpful to know a little about the way we operate the Club. For its successful administration, various committees have been formed:

Board of Management comprises 9 Directors elected/nominated from the Affiliated members.

The President, Secretary and Treasurer are defined positions with certain responsibilities. The other six Directors have been assigned portfolios covering these responsibilities:

The Board meets each month to discuss any issues and handle the business of the club. It also calls an Annual General Meeting each year, usually in May. At this meeting the Directors for the coming year are named and an update of the year is given to the members. Other items of business concerning the club are also discussed.

Fees & Affiliations

Each member pays **Club Membership** and **Affiliation fees** yearly. Only 1 invoice is generated to cover these charges.

Club Membership

The Club Membership fee is set at the Annual General Meeting by the Directors. An invoice for these fees is usually sent in July for immediate payment.

New bowlers are offered **Provisional membership** which is half the full Club membership fee. A provisional membership allows the new bowler to be an active participant in all Club affairs but it does not include voting rights at the Annual meetings.

Casual Bowler is a type of membership available for a social bowler that does not play Pennant. They may play Corporate Bowls. They are not eligible to play in tournaments, monthly triples, or club championship events. They may only play social games at Inverloch.

Fees (1st July - 30th June) for new members are Pro-rata after 1st January.

Club Membership cards are available when members pay their fees.

Social Membership

The Club also offers social membership for non-bowlers. This allows people to have the enjoyment of belonging to a club for an annual fee of \$12.00. Social Members are included in our Member's Night Draw and are most welcomed at all our functions.

Affiliations

Bowlers are affiliated with **Bowls Victoria** if they wish to play Pennant or participate in tournaments, club championships and events of this nature. This

organisation sets its fee and this is collected from every bowler in Victoria. Some of the money is provided to Bowls Australia and World Bowls organisations. **Strzelecki Region** covers South & West Gippsland. Within this region, Inverloch belongs to the **South Gippsland Bowls Division**. The SGBD sets an affiliation fee as well.

Coaching

For a new bowler, it is essential to learn the fundamentals and participate in organised skill sessions. A coach will provide consistent information and assistance, helping you achieve a desired level of competence and confidence. The basic rules and etiquette of the game are covered, as these aspects are as necessary as developing skills.

Being coached is not only for new bowlers. Experienced bowlers can benefit from the expertise of coaches as well. Whether a habit needs to be changed, refined or eliminated, a coach can help you.

Our Accredited Coaches are: Bryan Hensley -5674 2847, Gary Hardy -5674 3912, Ivy Sheppard - 5674 3697

Many volunteers share the workload and lighten the duty of the committee members. Remember the Club belongs to every member.
